FROM SORROW TO GLORY

April 2025

This month marks a time of many emotions for the followers of Jesus. This year the church celebrated Palm Sunday on 13th April. This remembers the time of great joy and expectation when Jesus rode into the city of Jerusalem on a donkey. The crowd was excited. Many had heard of Jesus' teaching and miracles. They longed for a leader who would help them drive the hated Romans from their land. They cheered and praised God shouting "Hosannah! Blessed is the king who comes in the name of the Lord!" They waved palm branches like flags and laid cloaks on the road for the donkey to walk over.

During the week Jesus talked to and healed many people. On the Thursday he had a very special meal with his friends. At the end they shared bread and wine and Jesus asked them all to remember him whenever they met together. He knew this would be the last meal he would share with them all.

But there were some jealous men who don't like it that many people listened to Jesus and not them. That night, in the Garden of Gethsemane, Jesus was arrested and taken away to trial. The trial lasted through the night until on Friday morning Jesus was condemned to death. He was beaten by the soldiers, a crown of thorns put on his head to make fun of him.

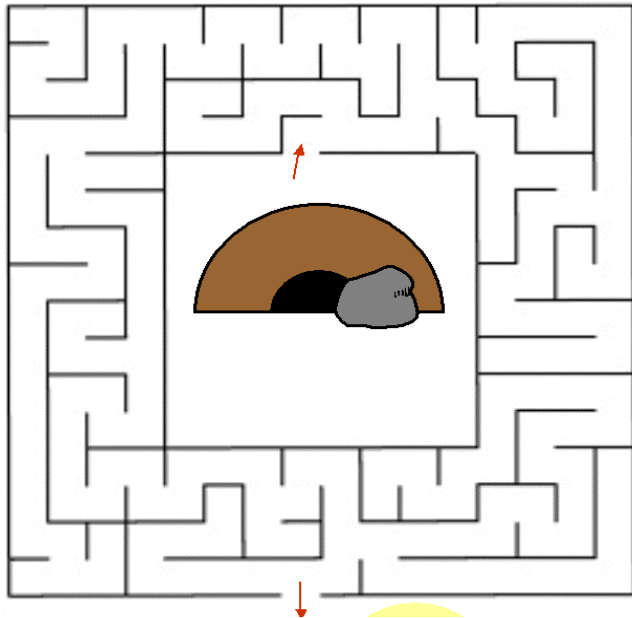

Early in the morning Pilate decreed that Jesus should die, therefore he would be crucified. To further humiliate him, he was made to carry his own cross through the streets, out through the city gates and up to the hill. There he was put to death, alongside two thieves.

He died at midday on Friday and then before the evening, his body taken to a cave tomb for burial. A huge stone was rolled over the entrance to block it.

Throughout Saturday, Jesus' friends hid away in the city, afraid of what might happen to them because they were his followers. But, early on Sunday morning, Mary Magdalene went to check on the tomb and found it empty! She thought someone had removed the body of Jesus, but then a familiar voice said her name. Mary was overjoyed to see Jesus standing there. He had risen from the dead and was alive again. This is the message of EASTER.

The mystery of the Easter Rabbit

Many of us will receive lovely chocolate eggs for Easter, representing the new life of Jesus who broke out of the tomb just as a bird breaks out of an egg.

Some might also have a chocolate rabbit. **WHY?** Rabbits (or hares) were another ancient symbol of new life. Our picture shows how we could think of the **Easter Rabbit** in a new way. Read the captions and then you could colour him in and perhaps cut the panel out and hang it in your home. Could you use your eyes & ears etc like this Easter Rabbit?

Help Jesus to find his way out of the tomb so that he can tell his disciples that He is Alive!

Here is a simple Easter Morning craft to make using two paper plates and coloured paper. To celebrate the message of Easter – Christ overcame death on the cross.
