

## IME2 Programme 2025-26 – Year 3 Curates

The IME2 programme forms an essential part of the diocese's ministry formation alongside the curacy parish placement. TIs and curates should note that attendance at IME2 sessions now forms part of the end of year assessment process and as such is to be prioritised above parish responsibilities. Consistent failure to attend may result in a delay in an individual being signed off at the end of their curacy in order for additional ministerial formation to be undertaken.
